Case No. 17-03283-LTS
Title of the Objection: Thirty-Third Omnibus Objection
Claims:
104728 and 129935

Reasons for Opposing the Omnibus Objection

On June 29, 2018, I filed the Modified Official Form 410 in the Oceania Building located in Villa Blanca, Caguas, Puerto Rico, and I proceeded to file an original and a copy. Said copy was filed so that it would be returned to me

stamped to the [unintelligible]. I believe that the copy was processed as another claim (see Exhibit A: Exact Duplicate Claims #322). Thus I object, that the duplicity of the claim had no intent of fraud, but was an error of the agency that received it and adjudicated a claim number to the copy. I hereby request that claim #129935 be disallowed and that only claim #104728 prevail.
